Uriage - Bariésun

## Moisturizing Cream Non parfumée SPF 50

Price: Afl 44.86

This unique skincare formula is based on powerful dermatological ingredients, which form a protective film, ensuring UV filters stay put for enhanced defense. It's a great choice if you're looking for unscented, invisible on the skin and non-sticky sunscreen. Say goodbye to skin dehydration, thanks to Aquaspongines and vitamin E, leaving your skin well-nourished and glowing.
